Kim
Hygienist

Jill
Assistant

Ken
Bookkeeper

We are pleased to announce **Park Blvd Dentistry's** 2nd Anniversary working in Glen Ellyn. It has been an exciting time getting to know Glen Ellyn and to have all of our existing and new patients see our office. We are very appreciative of everyone's involvement in making this business venture a success. Also, at this time, we want to introduce our newest team member, Jill, who has joined us in the role of dental assistant. Jill was previously employed with us 21 years ago and has stayed in contact with us over the years as an active patient. The timing was finally right for her to rejoin our dental team.

Thank you to everyone who has made our two years a success.

We could not have done it without you!

We look forward to many more years working together....

Many thanks also to our IT consultant, Gibbs, who has worked tirelessly with us to establish our awesome online presence and improve our in-office functionality.
