We are not magicians, but we can tell if you have not been brushing and flossing.  
Please look at the below video and helpful hints to see why we know.

## FROM THE ADA

### Does Your Dentist Know If You Lie About Brushing and Flossing?

Your teeth don't lie. A dentist reveals how she can tell if her patients aren't brushing and flossing like they say they are in this "Ask an ADA Dentist" question. [Watch now!](#)
